OBJECTIVE

I aim to work as a programmer in the game industry. I want to be able to develop games that are enjoyable and further improve my technique

SKILLS

I currently am confident in working with both Unity and Unreal engine. I can code in C# with some skills in C++.

EXPERIENCE

IT ASSISTANT MITZ DESIGN (ARCHITECTURE BUSINESS) MICHAEL - 0412341007

December 10th 2016 – July 20th 2018

At MITZ Design I helped with a lot technical issues such as computer errors and setting up machines. I also helped with other various jobs such as copying plans to CD's and USB, printing plans for clients, organizing files.

EDUCATION

HIGH SCHOOL CERTIFICATE

Thomas Hassall Anglican College
Graduated in 2016

Received an award for attitude & effort in Senior Science

BACHELOR OF GAMES PROGRAMMING

SAE Sydney
February 2017 - Current

VOLUNTEER EXPERIENCE OR LEADERSHIP

Volunteered as IT assistant while high school was implementing using iPad's in the classrooms.

Assisted with guiding Japanese exchange students while they visited the school.
